But even in the darkest of times, they never give up hope. They believe that democracy will triumph over despotism, and that justice will prevail.

On the other side of the divide is General Viktor, the ruthless leader of the despotic regime. He is a man driven by power and ambition, who will stop at nothing to maintain his grip on the country. He has created a vast network of informants and spies, and he uses fear and intimidation to keep the population in line.

As the conflict between the resistance and the regime intensifies, Anya and Viktor find themselves on a collision course. They are both determined to win, but only one of them can emerge victorious.
