

An Executive Summary: Executive Summaries by Spry Summaries for Corporate Success

Executive Summary

This document describes the entirety of the business in a few pages. This will likely be the only document a prospective investor reads initially, and hence brevity, conciseness, and clarity are of the utmost importance. This document is designed to guide you on the creation of the critical components of this document, and provide examples of appropriate content for each section.

Instructions: Read each section and fill it out using the instructions and examples to guide you. Once you have completed the section, erase the instructions that appear in italics.

Overview

This section consists of a few paragraphs that succinctly describe the product you intend to develop, the target market for the product, the benefit the product provides to that target market, the competitors for the product, and how the product is different from competitive solutions in the market. A sample overview paragraph might look like this:

<Product name> is a <type of product/category description> that delivers <statement of benefit>. Unlike <specific competitor or competitive category>, <product name> provides <statement of differentiation>.

For example:

PayPal is a web-based payment service that allows buyers and sellers to transfer funds instantaneously while protecting against fraud and identity theft. Unlike credit cards, PayPal allows any merchant to accept funds, and allows customers to pay for goods without disclosing sensitive banking or personal information.

Problem

This section consists of a short story that concisely identifies the problems the product is designed to solve. Educate us – what is the current state of the world? Tell us – why is this a problem, and for whom is it a problem? Inspire us – what could a customer achieve with the product that currently isn't possible? Use declarative sentences with simple words to communicate each point. Less is more.

For example:

Small web-based merchants are currently unable to sell their goods online due to their inability to process credit cards. Processing credit cards requires a merchant to acquire a merchant account from their bank, something that is currently prohibitively expensive for small online merchants. At the same time, customers are currently hesitant to disclose their credit card number to

In today's demanding business environment, executives and decision-makers are constantly pressed for time. They need concise, informative summaries of complex and multifaceted topics to make informed choices

quickly and effectively. An executive summary is a crucial tool that enables them to do just that.

An executive summary is a structured, succinct document that encapsulates the key points and insights of a more extensive report, proposal, or research paper. It serves as a standalone document that can provide a comprehensive understanding of the topic without requiring readers to go through the entire original document.

Spry Summaries, a leading provider of executive summary writing services, specializes in crafting compelling and impactful summaries that empower executives to make strategic decisions with confidence. In this article, we will delve into the nature and benefits of executive summaries and explore how Spry Summaries' expertise can help your organization achieve corporate success.

The Components of an Executive Summary

1. **Problem or Opportunity Statement:** Clearly identifies the problem or opportunity that the report or proposal addresses.
2. **Key Findings:** Summarizes the most important findings of the research or analysis, highlighting any significant trends or patterns.
3. **Recommendations or Action Plan:** Provides specific, actionable recommendations or an outline of the proposed course of action.
4. **Benefits and Impact:** Discusses the potential benefits and expected impact of implementing the recommendations.
5. **Next Steps:** Outlines the next steps or required actions for implementing the recommendations.

Benefits of Executive Summaries

Executive summaries offer numerous benefits to executives and decision-makers:

- **Time Savings:** Allows executives to quickly grasp the essence of a topic without having to read through lengthy documents.
- **Clarity and Focus:** Provides a concise and focused overview, eliminating unnecessary details and distractions.
- **Informed Decision-Making:** Empowers executives with the necessary information to make informed decisions based on key insights.
- **Strategic Planning:** Supports strategic planning by outlining the key elements of a proposal or research paper.

- **Increased ROI:** Helps organizations maximize their return on investment by identifying key opportunities and risks.

Mission Statement

The mission of Acme Office Furniture Store is to successfully supply businesses of all sizes with their office furniture needs. The company's customer-oriented mission is stated in our Corporate Prospectus:

- Offer a diverse profile of office furniture, from simple to high-end pieces, at competitively low prices.
- Provide excellent customer service through knowledgeable, friendly, and helpful sales people.
- Provide sufficient replacements, repairs, and refunds for any dissatisfied customers.

This mission will carry these principles of the company onto the retail floor, as well as into the e-commerce environment.

Objective

Acme Office Furniture Store's primary objective is to be a competitive player in the office furniture market. Currently, the majority of sales traffic comes from local businesses and some outlying areas already under contract with the company on the e-commerce side. As new expansion is under way to establish two more stores in Banksville, MA and Georgeville, MA, Acme intends to also promote their online sales division through aggressive internet marketing and local cable advertising. This expansion will enable Acme to realize substantial sales growth over the next five years so that it can achieve specific financial objectives:

- Increase potential client base from thousands to millions by increasing exposure from local to national markets.
- Increase sales revenue, margins and profitability.
- Break even by the end of year one, and increase profitability every year for the next four years.

Company Information

Acme Office Furniture Store started in the garage of Michael J. Banks. Starting with custom-made furniture sold by word-of-mouth and over the Internet, Michael developed his skills and built his business until he was able to afford a manufacturing warehouse, where all furniture is now constructed.

The newly developed retail store, as well as the manufacturing plant and e-commerce division, employ a total of 113 employees.

Growth Highlights

Over the past five years, Acme Office Furniture Store has grown from a small corner store to an entire sales floor with an average increase in revenue of 37% each year. In 2012, Acme grossed \$98,000 from the retail floor, in addition to another \$86,000 from e-commerce alone.

Products

Acme provides a wide range of office furniture solutions, from a full line of ergonomically designed office chairs, to their Standard and Executive lines of quality desks, as well as cubicles, artwork, and more. Overall, Acme Office Furniture Supply meets the following office furniture needs:

- Desks
- Chairs
- Cabinets
- Storage furniture
- Seating
- Tables
- Accents and accessories
