Ernest Hemingway was an American novelist, short story writer, and journalist. He is considered one of the greatest American writers of the 20th century. Hemingway's distinctive writing style, characterized by its brevity and clarity, has had a profound influence on literary fiction. His works are often set in exotic locations and explore themes of love, loss, and violence.

Mary Dearborn's biography of Hemingway, "Ernest Hemingway: A Biography," is a comprehensive and insightful look at the life and work of this literary giant. Dearborn draws on extensive research and interviews with Hemingway's family, friends, and colleagues to provide a detailed and nuanced portrait of the man and his writing.

## **Early Life and Influences**

Ernest Miller Hemingway was born on July 21, 1899, in Oak Park, Illinois. His father was a doctor, and his mother was a devout Christian. Hemingway grew up in a strict and conservative environment, which would later influence his writing.

Hemingway began writing at an early age, and he attended the University of Missouri School of Journalism before dropping out to become a reporter for the Kansas City Star. He later moved to Paris, where he became part of

the expatriate community of writers and artists known as the "Lost Generation."

## **Literary Career**

Hemingway's first novel, "The Sun Also Rises," was published in 1926 and was an immediate success. The novel follows a group of American expatriates in Paris after World War I. Hemingway's next novel, "A Farewell to Arms," was published in 1929 and was even more successful than his first. The novel tells the story of an American soldier who falls in love with a British nurse during World War I.

Hemingway continued to write prolifically throughout his career, producing a number of classic works, including "The Old Man and the Sea," "For Whom the Bell Tolls," and "The Snows of Kilimanjaro." His writing often explores themes of masculinity, war, and the human condition.

## **Personal Life**

Hemingway's personal life was as tumultuous as his writing career. He married four times and had three children. He was also a heavy drinker and suffered from depression. In 1961, Hemingway took his own life at the age of 61.

## **Legacy**

Ernest Hemingway is one of the most important and influential writers of the 20th century. His writing style and themes have been widely imitated and continue to resonate with readers today. Hemingway's work has been translated into more than 50 languages and has sold millions of copies worldwide.

## Mary Dearborn's Biography

Mary Dearborn's biography of Hemingway, "Ernest Hemingway: A Biography," is a comprehensive and insightful look at the life and work of this literary giant. Dearborn draws on extensive research and interviews with Hemingway's family, friends, and colleagues to provide a detailed and nuanced portrait of the man and his writing.
