

# Guide to Getting More by Giving in Relax with Neville

In Neville Goddard's teachings, the concept of "getting more by giving" is central to manifesting your desires. By focusing on giving rather than receiving, you open yourself up to a flow of abundance in all areas of your life.

The Law of Giving states that the more you give, the more you will receive. This is not just a spiritual principle, but a universal law that governs the universe. When you give, you create a vacuum that the universe fills with more of what you desire.

Goddard teaches that giving is not just about material possessions, but also about giving of your time, energy, and attention. When you give to others, you are actually giving to yourself. You are creating a connection with the universe and opening yourself up to receiving more.
