In the title story, the author recounts a harrowing experience where he was trapped in a remote canyon by a group of armed poachers. With no way to escape, the author had to use all of his skills and training to survive. The story is a testament to the courage and determination of game wardens, who often put their lives on the line to protect wildlife.

Other stories in the collection include accounts of rescuing lost hikers, stopping illegal fishing operations, and investigating wildlife crimes. Each story is a unique and compelling look at the challenges and rewards of wildlife law enforcement. Through these stories, the author provides a valuable perspective on the importance of wildlife conservation and the role of game wardens in protecting our natural heritage.

Ordeal At Skull Canyon And Other True Game Warden Adventures is a must-read for anyone interested in wildlife law enforcement, outdoor adventures, or nature conservation. The stories are both exciting and informative, and they offer a unique glimpse into the world of game wardens.
