

# People Power and Profits: Uniting Communities to Build a Better Future

## What is People Power and Profits?

People Power and Profits is a movement that brings together communities, businesses, and organizations to create a more just and sustainable world. We believe that when people come together, they can achieve great things. By working together, we can build a future where everyone has the opportunity to thrive.

## Our Mission

Our mission is to unite communities, businesses, and organizations to create a more just and sustainable world. We do this by:

\* **Empowering communities:** We support community-led initiatives that address local needs and priorities. \* **Building partnerships:** We bring

together businesses, organizations, and community groups to work towards common goals. \* **Advocating for change:** We advocate for policies that support our mission and create a more just and sustainable world.

## **Our Values**

Our values are:

\* **People-centered:** We believe that people are the most important part of any community. We are committed to putting people first in all that we do. \* **Collaborative:** We believe that we can achieve more by working together than we can by working alone. We are committed to building strong partnerships with all sectors of society. \* **Innovative:** We are always looking for new and innovative ways to create a more just and sustainable world. We are not afraid to take risks and try new things. \* **Accountable:** We are committed to being accountable to our communities and partners. We are transparent about our work and we are always willing to listen to feedback.

## **Our Impact**

Since our founding in 2005, People Power and Profits has made a significant impact on communities around the world. We have:

\* **Supported over 1,000 community-led initiatives** that have addressed a wide range of issues, from economic development to environmental protection. \* **Built partnerships with over 500 businesses and organizations** to work towards common goals, such as creating sustainable supply chains and promoting social justice. \* **Advocated for policies that have made a positive impact on communities**, such as increasing access to affordable housing and healthcare.

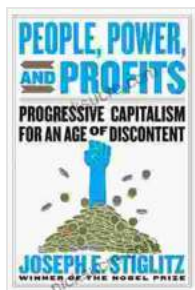

## How You Can Get Involved

There are many ways to get involved in People Power and Profits. You can:
