

The Complete Authentic Account of Canada's Most Famous Feuding Family

The Hatfields and McCoys are two of the most famous feuding families in American history. Their feud began in the late 1860s in the rugged hills of Kentucky and West Virginia. The feud lasted for decades and resulted in the deaths of dozens of people.

The origins of the feud are unclear, but it is believed to have started over a land dispute. The Hatfields and McCoys were both poor families, and they often competed for the same resources. In 1863, the feud escalated when a McCoy named Randall McCoy was killed by a Hatfield named William Anderson Hatfield.

The feud quickly spread throughout the region. The Hatfields and McCoys raided each other's homes, burned their barns, and killed their livestock.

The feud also spilled over into the courts, as both families filed lawsuits against each other.

In 1882, the feud reached its peak when a group of Hatfields ambushed a group of McCoys at a place called the Grapevine Creek Massacre. Thirteen McCoys were killed in the ambush, including eight children.

The Grapevine Creek Massacre shocked the nation. President Chester A. Arthur sent troops to the region to quell the feud. The troops were successful in stopping the violence, but the feud continued to simmer for years.

The Hatfields and McCoys feud finally ended in the early 1900s. The two families agreed to a truce, and they have lived in peace ever since.

The Hatfields and McCoys feud is a fascinating and tragic story. It is a story of violence, revenge, and ultimately, reconciliation.

The Hatfields

The Hatfields were a large and powerful family. They were originally from England, but they migrated to America in the 1700s. The Hatfields settled in the hills of Kentucky and West Virginia, where they became successful farmers and ranchers.

The Hatfields were known for their fierce loyalty to their family and their community. They were also known for their quick tempers and their willingness to use violence to defend their honor.

The Hatfield family was led by a patriarch named William Anderson Hatfield. Hatfield was a powerful and charismatic man. He was also a

ruthless killer. Hatfield was responsible for the deaths of many McCoys, including the eight children who were killed at the Grapevine Creek Massacre.

The McCoys

The McCoys were also a large and powerful family. They were originally from Scotland, but they migrated to America in the 1700s. The McCoys settled in the hills of Kentucky and West Virginia, where they became successful farmers and ranchers.

The McCoys were known for their strong work ethic and their love of family. They were also known for their courage and their willingness to fight for what they believed in.

The McCoy family was led by a patriarch named Randall McCoy. McCoy was a respected and admired man. He was also a fierce defender of his family and his community. McCoy was killed by a Hatfield named William Anderson Hatfield in 1863.

The Feud

The Hatfields and McCoys feud began in the late 1860s. The feud is believed to have started over a land dispute. The Hatfields and McCoys were both poor families, and they often competed for the same resources.
