

# The True Story Of The Original People Princess

Diana, Princess of Wales, was born Diana Frances Spencer on July 1, 1961, into a British aristocratic family. Her parents divorced when she was young, and she spent her childhood living with her mother and stepfather. Diana was educated in Switzerland and England, and she worked as a nursery school teacher before marrying Prince Charles in 1981. The wedding was a global event, and Diana became one of the most famous women in the world.

Diana and Charles had two sons, Prince William and Prince Harry. However, the marriage was not a happy one, and the couple divorced in 1996. After her divorce, Diana continued to be a high-profile figure, and she used her platform to raise awareness of various social causes. She was particularly involved in the fight against landmines and AIDS, and she also worked with cancer research organizations.
