This comprehensive book covers everything you need to know about the voice acting industry, from the basics of voice acting to advanced techniques and strategies. Whether you're a complete beginner or you have some experience under your belt, "Voice Acting For Dummies" has something to offer everyone.

Who is David Ciccarelli?

David Ciccarelli is a renowned voice actor with over 30 years of experience in the industry. He has voiced countless characters in animated films, video games, and commercials, including Optimus Prime in the Transformers franchise, Dr. Eggman in the Sonic the Hedgehog franchise, and the Geico gecko.

Ciccarelli's expertise in voice acting is evident in "Voice Acting For Dummies." The book is packed with practical advice, tips, and exercises that will help you develop your voice acting skills and achieve your goals.

What's Inside "Voice Acting For Dummies"?

"Voice Acting For Dummies" is divided into six parts, each of which covers a different aspect of voice acting.

1. Part 1: Getting Started

This part introduces you to the basics of voice acting, including the different types of voice acting, the equipment you need, and how to get started.

2. Part 2: Developing Your Voice

This part focuses on developing your voice acting skills, including how to improve your vocal projection, articulation, and intonation.

3. Part 3: Creating Characters

This part teaches you how to create and develop voice acting characters, including how to choose the right voice, develop a backstory, and bring your characters to life.

4. **Part 4: Working in the Industry**

This part provides you with an overview of the voice acting industry, including how to find work, negotiate contracts, and protect your rights.

5. **Part 5: The Business of Voice Acting**

This part covers the business side of voice acting, including how to set up a home studio, market your services, and manage your finances.

6. **Part 6: The Appendixes**

The appendixes include a glossary of voice acting terms, a list of resources for voice actors, and a sample voice acting contract.
