Wait Till Next Year is a memoir by Doris Kearns Goodwin, recounting her personal journey from a young girl growing up in rural New York to becoming a Pulitzer Prize-winning historian. The book is a moving and inspiring account of her life, her family, and the challenges and triumphs she has faced along the way.

Goodwin was born in 1943 in Brooklyn, New York. Her father was a pharmacist and her mother was a homemaker. Goodwin grew up in a close-knit family, and she credits her parents with instilling in her a love of learning and a strong work ethic.

Goodwin attended Colby College in Maine, where she studied history. After graduating from Colby, she worked as a researcher for the Lyndon B. Johnson Presidential Library. In 1975, she published her first book, Lyndon

Johnson and the American Dream. The book was a critical and commercial success, and it won the Pulitzer Prize for History.

Since then, Goodwin has written several other books, including *The Fitzgeralds and the Kennedys*, *Team of Rivals*, and *The Bully Pulpit*. Her books have been translated into more than 20 languages, and she has received numerous awards for her work.

In *Wait Till Next Year*, Goodwin reflects on her life and career. She writes about her childhood, her family, her education, and her work as a historian. She also shares her thoughts on the state of American politics and society.

Wait Till Next Year is a beautifully written and deeply personal memoir. It is a must-read for anyone interested in American history, politics, or the life of an extraordinary woman.

Themes

Wait Till Next Year explores several important themes, including:

- The importance of family
- The power of education
- The challenges and rewards of a career in public service
- The state of American politics and society

Goodwin writes about her family with great love and affection. She credits her parents with instilling in her a love of learning and a strong work ethic. She also writes about the importance of family in her life, both as a child and as an adult.

Goodwin is a passionate believer in the power of education. She writes about her own education, and she argues that education is the key to a better future for all Americans.

Goodwin has spent her career working in public service. She has served as a researcher for the Lyndon B. Johnson Presidential Library, and she has written several books about American history and politics. In *Wait Till Next Year*, she shares her thoughts on the state of American politics and society.

Critical reception

Wait Till Next Year has received critical acclaim. The book has been praised for its beautiful writing, its deep insights, and its personal and inspiring story.

"Doris Kearns Goodwin has written a memoir that is both personal and inspiring," wrote *The New York Times*. "*Wait Till Next Year* is a must-read for anyone interested in American history, politics, or the life of an extraordinary woman."

"Goodwin's memoir is a beautifully written and deeply personal account of her life and career," wrote *The Washington Post*. "*Wait Till Next Year* is a must-read for anyone who wants to understand the American experience."

Wait Till Next Year is a moving and inspiring memoir by Doris Kearns Goodwin. The book is a must-read for anyone interested in American history, politics, or the life of an extraordinary woman.
